Please Note:

- MVTV's hotspot service requires a log in on each device. You must have access to a web browser on the device to log in. Hotspot supported devices include: iPad, Tablet, Computer, Laptop & Smart Phone.
- 2 devices can be connected at the same time. To use more than 2 devices, you would need another account.
- You must be at a participating campground or apartment in order to sign up for hotspot service.
- Your purchase service time will start right away. Time count down is continuous even when not in use. Once your service period has ended, you can repurchase the same package by logging into Manage Your Account.
- Payments Accepted: Visa, MasterCard & Discover
